No. 412.—The following notifications of the Government of India are republished :—

HOME DEPARTMENT.

POLITICAL.

Nos. 427–431.

Simla, the 8th August 1913.

RESOLUTION—By the Government of India, Home Department.

It has come to the notice of the Government of India that some misapprehension exists with regard to the intention of the orders governing the grant of certificates of identity to Indian students and others, contained in the resolutions of the Home Department No. 2234–2242, dated the 5th December 1899, Nos. 481–492, dated the 15th November 1901 and Nos. 409–420, dated the 8th June 1910.

2. The orders contained in those resolutions were intended to apply only to Indians of some status proceeding to Europe, the United States of America, or Japan for the purposes of study, for pleasure or on business, and not to persons desirous of emigrating to these or other countries in search of manual employment even though substantially well-to-do to be able to pay their own fares. The latter class of persons, instead of receiving the encouragement or assistance which may be implied by the issue to them of certificates of identity, should be warned of the attendant risks and strongly advised not to emigrate unless they have received definite and reliable information that remunerative work will be found for them in the country to which they are destined.

3. Local Governments and Administrations are requested to give wide publicity to the tenour of these orders.

If this maximum is exceeded by a Candidate's selection he will be required to indicate one of his subjects, the marks for which should, in his case, be reduced so as to bring his maximum marks within the prescribed limit. 9. In the Final Examination, as in the Open Competition, the merit of the Candidates examined will be estimated by marks (which will be subject to deductions in the same way as the marks assigned at the Open Competition), and the number set opposite to each subject denotes the greatest number of marks that can be obtained in respect of it. The examination will be conducted on paper and *viva voce*, as may be deemed necessary

If any Candidate is prevented by sickness or any other adequate cause from attending such examination, the Commissioners may, with the concurrence of the Secretary of State for India in Council, allow him to appear at the Final Examination to be held in the following year, or at a special examination.

before the 1st June (or, if that date should fall on a Sunday or public holiday, then, on or before the first day thereafter on which their office is open), in the year in which the examination is to be held, an application, in the handwriting of the Candidate, on the prescribed form.

The Civil Service Commissioners are authorised by the Secretary of State for India in Council to make the following announcements:—

(i) *Selected Candidates will be allotted to the various provinces upon a consideration of all the circumstances, including their own wishes; but the requirements of the Public Service will rank before every other consideration.*

(ii) *An allowance amounting to £150 will be given to any Candidate who passes his probation at one of the Universities or Colleges which have been approved by the Secretary of State, viz., the Universities of Oxford, Cambridge, Dublin, Glasgow, Edinburgh, St. Andrews, Aberdeen and London (University College); Victoria University, Manchester.*

This allowance will be paid to the Selected Candidate in four instalments on the following dates respectively.—December 24th, after his election, March 25th, June 24th, and the date of his signing his covenant on being finally appointed to the Service.

With the final instalment an allowance on account of passage to India will be paid to each newly appointed civilian to the amount of £37 10s Od., for passage to Calcutta, Madras or Bombay, and £13 for passage to Rangoon, the officer then making his own arrangements for his passage.

The payment of each of the first three instalments will be conditional on the receipt, by the Secretary of State, through the Civil Service Commissioners, of a certificate that the Candidate has fulfilled up to date the requirements of the authorities, and shown satisfactory conduct at the authorised University or College; the fourth and final instalment will be paid as soon as the Selected Candidate has signed his covenant, and for its payment no certificate from College authorities will be required.

The whole probation must ordinarily be passed at the same institution. Migration will not be permitted except for special reasons approved by the Secretary of State.

(iii) *Each Candidate will be required before receiving the first instalment of his allowance to execute an agreement binding himself and one surety, jointly and severally, to refund all sums he may have received from the Secretary of State for India in the event of—*

(1) *his failure to pass the Final Examination within the time prescribed by the Regulations, and to satisfy the Civil Service Commissioners of his fitness for admission to the Civil Service of India, or*

(2) *his subsequent failure to execute the usual covenant, and to proceed to India, as and when he shall be directed by the Secretary of State for India.*

(iv) *All Candidates obtaining certificates will be also required to enter into covenants, by which, amongst other things, they will bind themselves to make such payments as, under the rules and regulations for the time being in force, they may be required to make towards their own pensions or for the pensions of their families. The stamps payable on these covenants amount to £1.*

(v) *The seniority in the Civil Service of India of the Candidates obtaining certificates will be determined according to the order in which they stand on the list resulting from the combined marks of the Open Competitive and Final Examinations.*

(vi) *Candidates obtaining certificates will be required to report their arrival in India within such period after the grant of their certificates of qualification as the Secretary of State may in each case direct.*

(vii) *Candidates who fail to satisfy the Civil Service Commissioners at the Final Examination held in any year will be definitely rejected, and will not be allowed to present themselves for re-examination, unless it shall appear to the Secretary of State in Council, after reference to the Civil Service Commissioners, that such failure is due to circumstances wholly exceptional and beyond the control of the candidate.*

Candidates are warned that full marks cannot be obtained on any paper unless the whole of it is answered, or, in cases where the number of questions to be answered is specified, unless the full number specified is answered.

English Composition.—An Essay to be written on one of several specified subjects.

Sanskrit Language and Literature.—Translation from Sanskrit; composition in Sanskrit; Sanskrit Literature, including the life, thought and antiquities of Ancient India, together with such knowledge of history as bears upon the subject; questions on the Sanskrit Language (including questions on Philology).

Composition will be required in Classical Sanskrit alone; elsewhere Vedic Sanskrit is also included.

Candidates are expected to make a special study of the Seventh Mandala of the Rig-veda, but other Vedic hymns may also be set in the examination.

Greek Literature.—Questions on the Greek Language (including questions on Philology), Literature and Antiquities.

Latin Literature.—Questions on the Latin Language (including questions on Philology) and on Roman Literature and Antiquities.

English Language and Literature.—The examination will be in two parts. In the one candidates will be expected to show a general acquaintance with the course of English Literature, as represented in the chief writers in verse and prose, between the reign of Edward III and the death of Queen Victoria.

A minute and detailed knowledge will not be looked for in this part of the examination. But its aim will be to test how far the candidates have studied at first hand the chief productions of the greatest English writers, and are acquainted with the leading characteristics of their thought and style, and with the place which each of them occupies in the history of English Literature.

The other part of the examination will relate to one of the following periods, which will follow each other year by year in rotation :—

Period I : 1560 to 1600, Chaucer to Spenser
Period II : 1600 to 1660, The later Elizabethans
Period III : 1660 to 1744, The age of Dryden and Pope
Period IV : 1744 to 1800, From the death of Pope to Cowper
Period V : 1800 to 1832, Nineteenth Century writers to the death of Scott.
Period VI : 1832 to 1892, From the death of Scott to the death of Tennyson

The examination in this part will require from the candidates a more minute acquaintance with the history of the English Language and Literature, as illustrated in the chief works produced in each period, and will be based to a considerable extent, but by no means exclusively, on certain books specified each year by the Commissioners. The names and other indications placed beside the dates

are intended to suggest the general character of the literary development of the period, and, consequently, the natural limits of the examination. All the works of Shakespeare and Milton, for example, will be regarded as falling within the period 1600 to 1660; all the works of Wordsworth and Coleridge within the period 1800 to 1832; all the works of Carlyle, Landor and Macaulay within the period 1832 to 1893.

JUDICIAL NOTIFICATIONS.

NOTIFICATIONS.

Under the provisions of section 122 of the Code of Civil Procedure, 1908, the following draft amendments of Rules 3 and 4 of Order XXXII and Form No. 11 of Appendix H to the First Schedule of the said Code are published for the information of all persons interested, and it is hereby notified that the draft amendments as well as any objections or suggestions which may be received in respect thereof from any person interested in the matter will be taken into consideration by the High Court on or after the 15th day of October 1913.

Draft amendments.

1. *For* Rules 3 and 4 of Order XXXII of Schedule I of the Code of Civil Procedure, 1908, *substitute*—

3 (1) Where the defendant is a minor, the Court, on being satisfied of the fact of his minority, shall appoint a proper person to be guardian for the suit for such minor.

(2) An order for the appointment of a guardian for the suit may be obtained upon application in the name and on behalf of the minor or by the plaintiff.

(3) Such application shall be supported by an affidavit verifying the fact that the proposed guardian has no interest in the matters in controversy in the suit adverse to that of the minor and that he is a fit person to be so appointed. The affidavit shall further state the name of the person or persons on whom notice has to be served under the provisions of sub-rule (3).

(4) An application for the appointment of a guardian for the suit of a minor shall not be combined with an application for bringing on record the legal representatives of a deceased plaintiff or defendant. The applications shall be by separate petitions.

(5) No order shall be made on any application under this rule except upon notice to any guardian of the minor appointed or declared by an authority competent in that behalf, or, where there is no such guardian, upon notice to the father or other natural guardian of the minor, or where there is no father or other natural guardian, to the person in whose care the minor is, and after hearing any objection which may be urged on behalf of any person served with notice under this sub-rule. The notice required by this sub-rule shall be served six clear days before the day named in the notice for the hearing of the application and may be in Form No. 11 set forth in Appendix H hereto.

4 (1) Any person who is of sound mind and has attained majority may act as next friend of a minor or as his guardian for the suit:

Provided that the interest of such person is not adverse to that of the minor and that he is not, in the case of a next friend, a defendant, or, in the case of a guardian for the suit, a plaintiff.

(2) Where a minor has a guardian appointed or declared by competent authority, no person other than such guardian shall act as the next friend of the minor or be appointed his guardian for the suit unless the Court considers, for reasons to be recorded, that it is for the minor's welfare that another person be permitted to act or be appointed, as the case may be.

(3) No person shall without his consent be appointed guardian for the suit. Whenever an application is made proposing the name of a person as guardian for the suit, a notice in Form No. 11-A set forth in appendix H hereto shall be served on the proposed guardian, unless the applicant himself be the proposed guardian or the proposed guardian consents.

(4) Where there is no other person fit and willing to act as guardian for the suit, the Court may appoint any of its officers to be such guardian, and may direct that the costs to be incurred by such officer in the performance of his duties as such guardian shall be borne either by the parties or by any one or more of the parties to the suit, or out of any fund in Court in which the minor is interested, and may give directions for the repayment or allowance of such costs as justice and the circumstances of the case may require.

(5) When a guardian for the suit of a minor defendant is appointed and it is made to appear to the Court that the guardian is not in possession of any, or sufficient, funds for the conduct of the suit on behalf of the defendant, and that the defendant will be prejudiced in his defence thereby, the Court may, from time to time, order the plaintiff to advance moneys to the guardian for the purpose of his defence and all moneys so advanced shall form part of the costs of the plaintiff in the suit. The order shall direct that the guardian do, as and when directed, file in Court an account of the moneys so received by him.

2. *Substitute for* Form No. 11 of Appendix H to the said Code and *add*—
